

New Guidelines for Indoor Worship

1. We have lifted the requirement of masks and 6 ft distancing for those who have been vaccinated. If you are not vaccinated, or not yet ready to shed the mask, please wear a mask and remain distanced for the safety of yourselves and others.
2. Please continue to use side door of narthex for entrance and office door for exit.
3. For communion, we will continue to use prepacked communion kits. Please take one on your way into the sanctuary. A trash can for disposal of the empty chalice is by the exit.
4. Sharing the peace continues to be done from your seat.
5. Singing has returned! Hymnals are back in the pews. Unvaccinated and/or at-risk individuals should keep their mask on during singing and responses.
6. If you are not joining us in person, please join our brothers and sisters at St. Peter's each week on YouTube at St. Peter's Lutheran Church Huntington Station. A link will also be added to their Facebook page.

Contact information will continue to be collected as you enter. Should you test positive for COVID-19 after attending a worship service, please call the church office so that we may let others know to be on the lookout for symptoms.

May God continue to bless the people and ongoing ministries of Gloria Dei wherever we gather during these challenging times.
